# It's time to start earning

## Shop 750+ retailers

There is something for everyone, so you can earn on all your household spending and more. You can also filter by “categories” to narrow your search for brands within a specific category: Groceries, Restaurants, Home Improvement, etc...

## Choose from different gift card types

You have choices for e-gift cards, physical gift cards, and reloadable gift cards based on your need and availability.

## You're on the way to tuition savings

Remember, the earnings come from the retailers and go into your tuition savings account as soon as you purchase the gift cards, not when you use them. Plus, gift cards from RaiseRight never expire.
