Academics
High levels of academic achievement in standardized test scores.

Technology
SmartLabs implemented in each of our elementary schools puts technology and learning resources in the hands of students; engaging learning in science, technology, engineering, and mathematics (STEM) while building critical 21st century skills. In addition to the SmartLab, each student in our elementary schools between grades 3-5 is provided an ipad for use at school and home.

Education in Virtue
Educating in virtue provides meaning to living a well ordered and disciplined lifestyle enabling the creation of a dynamic learning environment.

Unique Offerings
• Curriculum planning that carefully considers the developmental levels, skills, and interest of each child allowing for differentiated learning.
• All students participate in religious instruction, liturgical celebrations, student retreats, and service initiatives.
• The Little Deacons Program (3 and 4 year olds) is a premier childcare experience that builds active minds, healthy bodies, and happy hearts for children of all faiths.
• After School child care available at most locations.
• Summer Adventures Program for Kindergarten – Grade 5.
