St. John Paul II Catholic Schools supporters are offered the opportunity to be a part of the Red & White Pages Business Directory. A sincere thank you to each of the participating businesses in the year’s directory. Participating businesses pay a listing fee which covers the cost of printing and supports St. John Paul II Catholic Schools. The JPII community gains a resource and a way to “get to know each other better.”

St. John Paul II Catholic Schools is not responsible for any business transaction dissatisfaction. This directory is not to be used for soliciting or as a database of any kind. Questions and inquiries on how your business can be listed may be directed to:
