Nativity Families,

On Wednesday, as I walked out to check the soccer fields for kite flying, I was overcome with the beauty and the way God created the perfect morning, adding just the right amount of wind and sun to make the field dry enough to fly kites. It was heartwarming to watch families together flying kites, blowing bubbles, and visiting. Thank you for a great school year and for your support through kind words, notes, and most of all your prayers.

Help us to do better! Please take a minute to fill out the survey sent out specific to Nativity Elementary. Your feedback is important, and it is with honest feedback that we are able to continue with what works well and change what isn't working to make our school the best it can be. Thanks again for taking a few minutes to complete the survey by June 7th. <https://su.vc/nativityfam24>

Please see below for Staff Updates for 2024-2025. Class lists for the fall will be coming out in early August.

Have a great summer!!!

God's Blessings!

Staff Updates

Mrs. Erin Strand – 1st grade - Mrs. Strand is excited to be back teaching at Nativity next fall! Next year will be her 15th year teaching at Nativity School, having taught 5th, 3rd, and 1st grades. Erin and her husband ,Jon have 4 children, three in the Network and one recent graduate of Shanley.

Miss Gabby Reck – Physical Education. “Hello Nativity families, I’m Gabby Reck! I recently graduated from NDSU with a Physical and Health Education degree. I am originally from Sioux Falls, South Dakota. I come from a family of teachers as both my parents and sister are teachers in South Dakota. I’m excited for this upcoming fall and being a part of your students’ journey.”

Mrs. Ashley Quamme – Student Services. Greetings Nativity Families! I hope you are loving every minute of these first days of summer. It feels so bittersweet to be stepping out of the classroom and into the position of Student Services at Nativity and Holy Spirit Schools. I find myself experiencing moments of sadness as I reflect back on the years of teaching at Nativity; to say that I loved my job as a teacher is nothing short of the truth. I believe I have been blessed with the greatest students and have served some of the best families. The support you have given me, trust you have had in me and love you have shown me is what has given me the courage to say yes to this next adventure. What excites me the most as I step into this new role is to be able to serve all students and families and to be able to work closely with all staff. We have something so special here and I cannot wait to continue to walk alongside you as we serve God and seek to ‘...set the world on fire.’ Have a safe, fun & blessed summer!

We are hiring for the following positions:

PreK teacher

Kindergarten teacher

Music teacher
